Why Compromise

Flexible

Innovative

XtremeClean Filter Cleaning System

The Attix 19-gallon wet and dry vacuum features the XtremeClean filter-cleaning system*, one of the most advanced filter-cleaning systems the market has ever seen.

With the XtremeClean system, there is no need to stop working as the filter is continually being cleaned -- automatically. There are no buttons to press, no canisters to open -- no manual effort at all.

Powerful air pulses gently clean the filter and:

- Reduce down time
- Keep suction performance at its peak
- Improve the reliability of the machine
- Extend the life of the filter
- Save you money

*Available on select models only

ERGONOMIC DESIGN

Comfortable handle, tilt or lift-out container, handy tool tray and suction tube holder.

SILENT POWER

Works at a low 57d(B)A

STURDY

Steel frame and stainless-steel canister

XtremeClean technology lets you keep working longer, even when working with fine dust.

- ☞ XtremeClean filter-cleaning system
- ☞ Semi-automatic filter-cleaning systems
- ☞ Manual filter-cleaning systems

Quiet Reliable

Mobility and Transport
With a comfortable, integrated handle, it's easy to take the Attix 19 wherever the work is.

Versatile and Flexible
Tilt the container to empty, or simply lift it out of the frame to dispense of its contents elsewhere.

HIGH PERFORMANCE
Two-stage turbines and bypass motors

VERSATILITY
Tilting, removable container; optional features including XtremeClean and Automatic On/Off

The Attix 19 Series is perfect for:

- Fire Restoration
- Body Shops
- Industrial
- Oil & Lube
- Automotive
- Construction
- Food Processing
- Manufacturing
- Hospitality
- Agriculture

The product featured in this photo is the Attix 19 AE Flood Sucker.

ATTIX 19 SERIES

PERFORMANCE XTREMES

HEPA Vacuums comply with EPA RRP Standard
